

Budget Pro 2020

"Best Budgeting App Made as class assignment at MSU in Spring 2020"
- Wall Street Journal

- Create custom categories for all your purchases
- Log transactions in seconds!
- Change your budget on the fly to fit your spending.
- Transaction date are recorded automatically, and can be edited manually.

The screenshot shows the 'BudgetApp' interface with a purple header. Below the header are four tabs: 'TRANSACTIONS', 'CATEGORIES', 'NEW TRANSACTION', and 'NEW CATEGORY'. The 'NEW TRANSACTION' tab is selected, displaying a form with the following fields: 'TITLE' (containing 'Dinner'), 'CATEGORY' (containing 'Restaurants'), 'AMOUNT' (containing '55'), and a timestamp 'FRI APR 24 19:34:13 CDT 2020' at the bottom.

The screenshot shows the 'BudgetApp' interface with a purple header. Below the header are four tabs: 'TRANSACTIONS', 'CATEGORIES', 'NEW TRANSACTION', and 'NEW CATEGORY'. The 'TRANSACTIONS' tab is selected, displaying a list of transactions:
